

Art Year 6 - Sculpture

INTENT

This half terms unit will link to the children's geography work on 'Change the Story - Climate Change'. Children will have the opportunity to design and create their very own 3D sculpture using everyday materials of their choice. Their sculpture should aim to reflect our voices as global citizens and highlight current climate change problems to our Earth.

Disciplinary Knowledge <i>How have experts expressed quality and value throughout history?</i>	• I can study the work of a range of artists, craft makers and designers. • I can talk about and compare the work of others via; books, internet, trips to galleries and other sources of information. • I can talk about the style and quality in their work. • I can say what their own work is influenced by.
Substantive Knowledge (Practical) <i>Methods, techniques, media, materials.</i>	• I can shape, form, model and join. • I can plan and develop ideas. • I can use observation and/or imagination. • I can understand the properties of a variety of media. • I can experiment with and combine a variety of materials to create a 3D form. • I can discuss and evaluate their own work and work of other sculptors.
