

Art Year 1 - Painting

INTENT

Linking to the children's science unit on 'Plants' the children will study the work of famous artists William Morris and Laura Ashley. Inspired by their designs using natural objects and plants the children will create their own repeating pattern prints. There will be an emphasis on exploring colour and using a range of tools to create their artwork.

Disciplinary Knowledge <i>How have experts expressed quality and value throughout history?</i>	• I can study the work of a range of artists, craft makers and designers. • I can describe what they see and like in work of other artists.
Substantive Knowledge (Practical) <i>Methods, techniques, media, materials.</i>	• I can name all the colours. • I can experiment with mixing of colours. • I can find collections of colour. • I can apply colour with a range of tools. • I can paint something I can see.
